Art Unit: 2742

1. The following is an examiner's statement of reasons for allowance: all claims (1-4) are allowed over the prior art of record because none of the prior art show the claimed combination of a cable trough which includes two upstanding sides, first and second ends, the central exit, two upstanding separator walls and their positions.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. PTO 892/1449: Henneberger, Dietze, and the cited documents all show a cable distribution system, including a plurality of entries/exits.

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to J. Chiang whose telephone number is (703) 305-4728, fax no. (703) 308-5403.
